## **Nano Infusion Facial**

*45 MINUTES* **\$90**

Our most popular results driven facial with no downtime. The esthetician infuses natural hyaluronic acid and antioxidants to soften fine lines and wrinkles. Addresses texture issues and plumps the skin. It aids in a brighter appearance. When performed in a series such as six, you can achieve optimal results.

## **Ultra Glo Facial Treatment**

**3 PACK \$1250** FOLLOW UP SESSION **\$500**

Ultra is a gentle but effective non-ablative laser that targets the water molecules in the skin. The treatment can be customized to fit your needs - whether you are looking for a light resurfacing to give your skin a glowing appearance before a special occasion or a deeper treatment to address fine lines, pigmentation and mild to moderate sun damage, Ultra is the perfect addition to your skin care routine. Some of the benefits of the Ultra treatment are brighter skin tone, minimizing fine lines, improved skin texture, pigment reduction and décolleté care. It can treat mild to moderate age spots, sun spots, freckles, and actinic keratosis.

## **Enzyme Treatment**

*45 MINUTES* **\$75**

Gentle and natural fruit enzymes help exfoliate and hydrate the skin. No downtime other than pink/red hue for up to two hours afterward. Great for getting a glow before any big event.

## **Skin Rejuvenation Peel**

*45 MINUTES* **\$75**

Customized professional & natural peels will help to reduce breakouts, refine skin texture, reduce pigmentation and create rapid cellular turnover.

## **Dermaplaning**

*Add On \$50*

Use of a blade to remove dry superficial layers. This exfoliation also increases the rate of absorption of skin care products. Diminishes the appearance of dry lines on aging skin and creates a healthier more radiant appearance. As a byproduct, fine vellus hair is removed for easier makeup application. This service is overseen by our medical director.

## **Sugaring & Waxing (face, bikini, legs)**

*15-50 MINUTES Starts at \$10*

## **Lash Lift and Tint**

*45 MINUTES \$80*

Gentle curling solution is applied to your natural eyelashes followed by tinting the lashes with a safe, vegan dye. By gently darkening and curling your natural eyelashes, the lift and tint is a great alternative to eyelash extensions. Lasts up to 8-12 weeks, depending on individual growth cycle of your eyelashes.
